ZOOMLION

ZS0612C

Parts Manual

2025.02 A

Foreword

Zoomlion appreciates your choice of our machine for your application. This manual must be read and understood in its entirety before operating the machine.

This manual introduces you parts assembly and significant technical specs in detail for working efficiency improving. Keep this manual properly at all times for looking up.

Do not attempt to service and repair the machine if you do not read and understand this manual. If there is any doubt, please consult local service team for troubleshooting. Zoomlion Intelligent Access Machinery does not take the consequence of wrong maintenance.

This manual should be considered a permanent part of your machine and should remain with the machine at all times. When transferring this machine, be sure to transfer this manual to the transferee.

The content is under intellectual property protection, permission is required for a copy or other application.

There might be some tiny differences in details between your machine and the upgraded one due to the continuous improving. For clarification, questions, or additional information regarding any portions of this manual, Contact Zoomlion AWP Machinery.

Our company reserves the right to modify this manual as technical improvement without notice.

Thank you for your trust and support for Zoomlion products!

Zoomlion Intelligent Access Machinery Co.,Ltd.

Section 6 DECAL ASSEMBLY

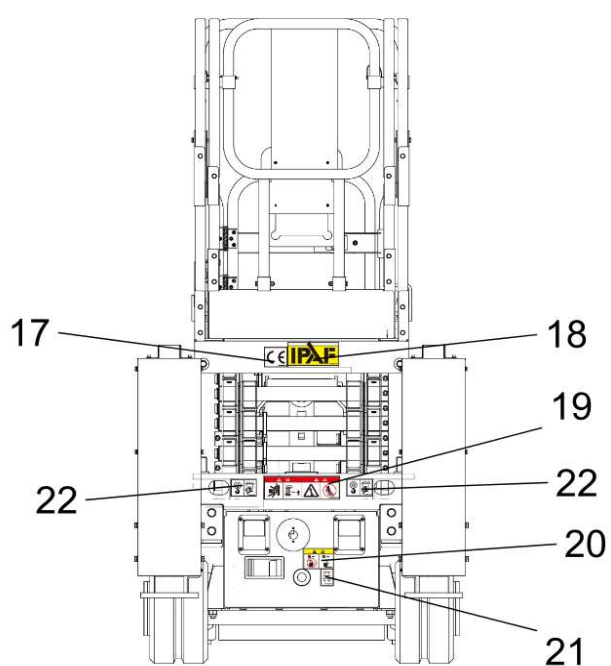

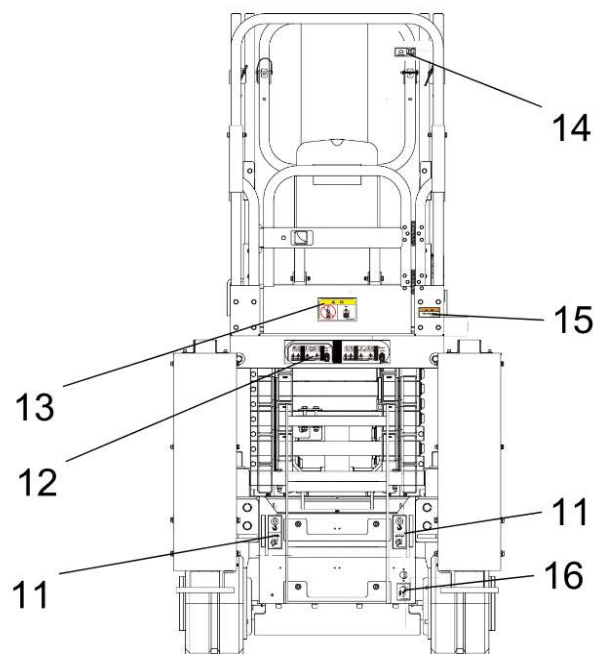

Decal assembly(Decal assembly I)

Decal assembly(Decal assembly I)

No.	Material No.	Item and Spec	Rev.	Qty	Remark
1	00775207050401080	Electric shock hazard label	B	1	
2	00772407020401060	Label- Smashing and safety arm	B	2	
3	00772117020401010	510kg Outrigger load and away label	A	4	
4	00775207050403080	Platform power rated voltage value label	C	1	
5	00772117020201030	Grounding load label	A	1	
6	00772407020402020	Emergency lowering label(Crawler)	B	1	
7	00775207050401040	Fork hole label	B	4	
8	00775207050403020	Tilting hazard label(Chassis)	B	1	
9	00775807010403060	Blue forward label	A	2	
10	00775807010403050	Yellow reverse label	A	2	

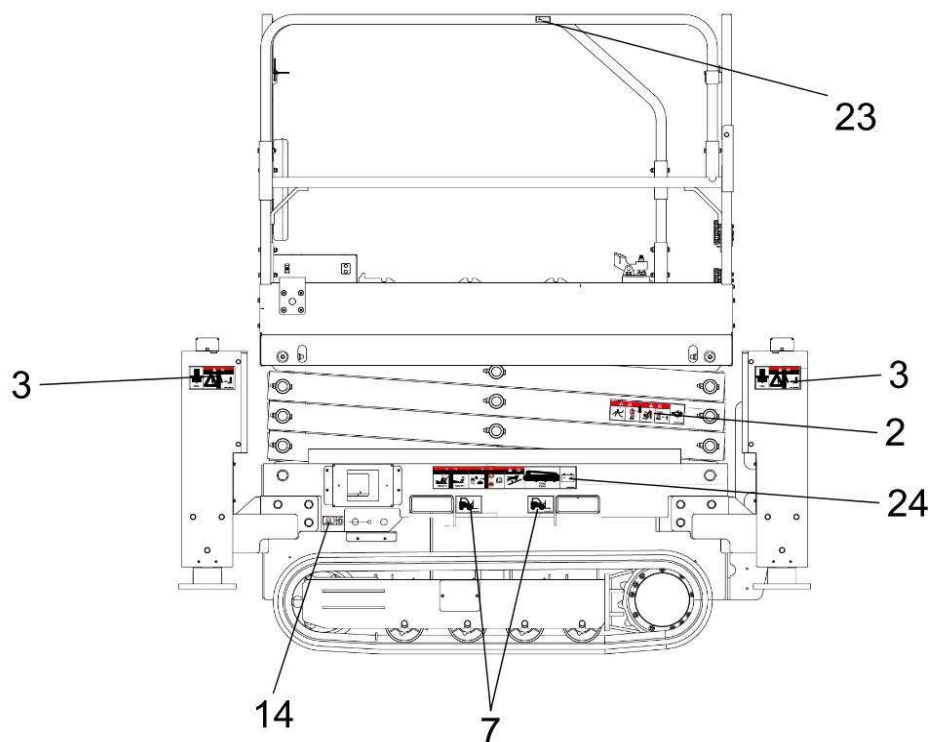

Decal assembly(Decal assembly II)

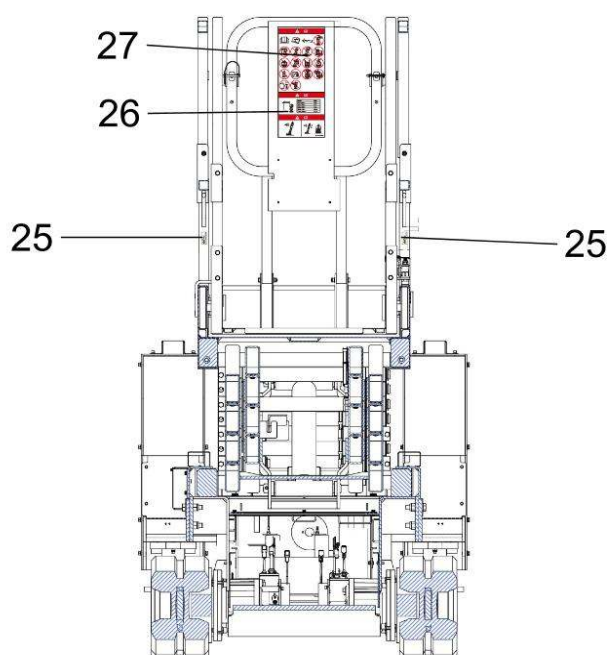

Decal assembly(Decal assembly II)

No.	Material No.	Item and Spec	Rev.	Qty	Remark
11	00772407020401080	Lifting binding label(Vertical)	B	2	
12	00772117020201060	230Kg load label	A	1	
13	00772007000401060	Operation force and travel restriction signs(Indoor)	B	1	
14	00775207050401090	Label-Read instruction carefully	B	2	
15	00775207050402090	Label- Not insulated (In English)	B	1	
16	00775207050402040	Label- Platform AC power(Chassis)	B	1	
17	00775207050403030	Ce label	B	1	
18	00775207050401030	Ipaf label	B	1	
19	00772407020401070	Smashing and outrigger tilting label	B	1	
20	00772407020402030	Main power label(Crawler)	B	1	
21	00775207050403060	Charger power label	C	1	
22	00775207050401050	Lifting binding label	B	2	

Decal assembly(Decal assemblyIII)

B-B

Decal assembly(Decal assemblyIII)

No.	Material No.	Item and Spec	Rev.	Qty	Remark
7	00775207050401040	Fork hole label	B	4	
14	00775207050401090	Label-Read instruction carefully	B	2	
23	00775207050402050	Label- Handrail position	B	3	
24	00772117020201050	Ground controller side identification	A	1	
25	00775207050401060	Safety lanyard point label	B	4	
26	007754070F0401090	Overturning hazard and electric shock safe distance label(Crawler)	A	1	
27	007754070F0401060	Safety rule label(Crawler outside)	A	1
